SENS Sensoric improving ingredients																			
	SENS 018	Cocoabase on whey, min. 18% cocoa																	
	SENS 022	Cocoa butter compound "type white chocolate" 29,5% cocoa butter																	
	SENS 030	Cocoabase on milk, min. 30% cocoa																	
	SENS 140	Chocolate powder, min. 40% cocoa																	
	SENS 210	White chocolate, powdered, 100% chocolate																	
	SENS 215	White chocolate, powdered "premium", 100% chocolate																	
	SENS 240	Milk chocolate, powdered, 100% conched milk chocolate																	
	SENS 250	Chocolate, powdered, 60% cocoa, 100% conched chocolate																	
	SENS 251	Chocolate, powdered, 100% conched cocolate, lactose free																	
	SENS 255	Chocolate, powdered, 72% cocoa, 100% conched chocolate																	
	SENS 260	Chocolate powder, 50% cocoa mass																	
	SENS 300	Hazelnut powder "roasted hazelnut"																	
	SENS 310	Almond powder "roasted almond"																	
	SENS 320	Pistachio powder																	
	SENS 330	Walnut powder																	
SEED Seed crystals for chocolate production																			
	SEED 100	β-V-crystals to seed chocolate, cocoabutter base																	
	SEED 200	β-V-crystals to seed chocolate, chocolate base																	
	SEED 600	β-V-crystals to seed chocolate, CBE base																	
	SEED 900	β-V-crystals to seed chocolate, CBI base																	
PLAN Vegetable and fruit based ingredients																			
	PLAN 110	Beetroot juice powder																	
	PLAN 500	Caramel sugar																	
LIPO Fat based ingredients																			
	LIPO 210	100% cocoa butter powder without carrier substance																	
	LIPO 802	White butterfat																	
	LIPO 800	Butter with 85% less cholesterol																	
	LIPO 801	Butterfat with 85% less cholesterol																	
PRO Functional ingredients																			
	PRO 311	Lactic acid sprayed on carrier gum arabicum																	
	PRO 312	Lactic acid sprayed on carrier gelatine																	
HEALTH Health ingredients																			
	Health 400	Lactosered. skimmed milk powder (max. 1% lactose)																	
Functional lipids																			
	HEALTH 500	Hi Omega 3 powder																	
	HEALTH 510	Hi Omega 6 powder																	
	HEALTH 520	MCT powder																	
	HEALTH 630	Walnut powder on fiber, valuable nutritional profile
